Graduation Requirements Summary

Minimum Total Hours	Minimum Major Requirements Hours	College & Program Requirements Hours	Carolina Core Hours	Minimum Institutional GPA
120	24	52-61	35-44	2.000

1. Regardless of individual course grades, students must maintain a minimum 2.000 cumulative GPA.
2. Some colleges require a minimum GPA for major courses. Courses indicated in this column are included in the major GPA for this program of study.
3. Students in the McCausland College of Arts and Sciences are required to demonstrate proficiency in one foreign language equivalent to the 122 course through course credit or the corresponding foreign language placement score.
4. The [Carolina Core](#) provides the common core of knowledge, skill and academic experience for all Carolina undergraduate students.
5. The McCausland College of Arts and Sciences requires one U.S. History and one non-U.S. History course, both of which must be chosen from the approved Carolina Core GHS courses. Whichever is not fulfilled through the Carolina Core GHS requirement must be fulfilled through this college requirement.
6. The cognate is intended to support the course work in the major. The cognate must consist of twelve hours of courses at the advanced level, outside of, but related to the major. In place of a cognate, a student may choose a minor consisting of at least 18 credit hours of courses concentrated in one area that follow a structured sequence. A second major eliminates the minor/cognate requirement.
7. 15 hours in approved international focused courses, to be chosen from POLI courses, numbered 300-level or higher from the international relations or comparative politics fields **only**, and /or from the list of approved non-POLI courses for the international studies major (visit the Bulletin for the list of approved non-POLI major courses). At least six hours **must** be selected from the approved POLI courses:
 - a. **Comparative Politics:** POLI 380, 381, 383, 416, 448, 480, 481, 483, 487, 488, 489
 - b. **International Relations:** POLI 330, 340, 341, 342, 417, 420, 421, 430, 432, 433, 437, 440, 442, 443, 444, 445, 446, 447, 449
8. No courses of a remedial, developmental, skill-acquiring, or vocational nature may apply as credit toward degrees in the McCausland College of Arts and Sciences. The McCausland College of Arts and Sciences allows the use of the Pass-Fail option on elective courses. Further clarification on inapplicable courses can be obtained from the McCausland College of Arts and Sciences.

Program Notes:

- Courses identified as “critical” must be completed in the student’s first 60 semester hours of work in order for these courses to be credited toward graduation.
- All undergraduate students must take a 3-credit course or its equivalent with a passing grade that covers the founding documents. This course may fulfill any requirement in the program of study. Courses that meet this requirement are listed in the academic [bulletin](#).
- International Studies majors may choose to complete an intensive major. In addition to the requirements for the International Studies major, Intensive majors must earn a minimum grade of B in all major courses, as well as complete the following: 1) an additional 6 hours of International Studies-related courses (approved by the major advisor); 2) POLI 499 – Senior Thesis; and 3) Demonstrate proficiency in one foreign language by earning a rating of “intermediate high” on the ACTFL/ETS examination or a “1+” rating on the Interagency Language Roundtable (ILR) examination. (In those languages for which such testing is not available within a foreign language department, proficiency will be demonstrated by passing with a C or better a minimum of 15 hours of one foreign language.)
- The Departmental Undergraduate Research Track is available to students majoring in International Studies who wish to participate in significant research activities of the major field in collaboration with, or under the supervision of, a faculty mentor. In addition to the requirements for the International Studies major, “B.A. with Distinction” majors must complete the following: 1) prerequisites of 3.60 major GPA and 3.30 cumulative GPA; 2) POLI 301 – The Political Science Discipline, POLI 498 – Research Experience, and POLI 499 – Senior Thesis; 3) Public presentation of the Senior Thesis (at an annual meeting of the South Carolina Political Science Association, a regular or special session of the Political Science Research Workshop, sessions scheduled for the Political Science Awards Day activities, USC Discovery Day, or submission to a professional journal); and 4) a written sponsorship agreement from the faculty mentor to be placed on file in the department or college office.
- Utilizing elective hours, many International Studies majors pursue an additional major and/or multiple minors to create a unique degree program that reflects their intellectual interests and future academic and/or professional goals.
- The last 30 credit hours toward your degree must be earned in residence at the University of South Carolina-Columbia.

University Requirements: Bachelor’s degree-seeking students must meet Carolina Core (general education) requirements. For more information regarding these requirements, please visit the [Carolina Core](#) page on the University website.
