Graduation Requirements Summary

Minimum Total Hours	Minimum Major Requirements Hours	College & Program Requirements Hours	Carolina Core Hours	Minimum Institutional GPA
120	30	46-58	32-44	2.000

- Regardless of individual course grades, students must maintain a minimum 2.000 cumulative GPA.
- Some colleges require a minimum GPA for major courses. Courses indicated in this column are included in the major GPA for this program of study.
- The foreign language placement test will determine the level of language at which the student begins. If a student places out of ITAL 121 and 122, a Humanities or Fine Arts course would be required in place of each as part of the McCausland College of Arts and Sciences curriculum.
- The [Carolina Core](#) provides the common core of knowledge, skill and academic experience for all Carolina undergraduate students.
- The McCausland College of Arts and Sciences requires one U.S. History and one non-U.S. History course, both of which must be chosen from the approved Carolina Core GHS courses. Whichever is not fulfilled through the Carolina Core GHS requirement must be fulfilled through this college requirement.
- The cognate is intended to support the course work in the major. The cognate must consist of twelve hours of courses at the advanced level, outside of, but related to the major. In place of a cognate, a student may choose a minor consisting of at least 18 credit hours of courses concentrated in one area that follow a structured sequence. A second major eliminates the minor/cognate requirement.
- Language Linguistics Courses (3 hours): **FREN 517; GERM 515; LING 502, LING 503, LING 504; SPAN 515**
- No courses of a remedial, developmental, skill-acquiring, or vocational nature may apply as credit toward degrees in the McCausland College of Arts and Sciences. The McCausland College of Arts and Sciences allows the use of the Pass-Fail option on elective courses. Further clarification on inapplicable courses can be obtained from the McCausland College of Arts and Sciences.
- Sociolinguistics Courses (3 hours): **ANTH 355; GERM 518; JAPA 500; LING 303, LING 340, LING 546, LING 548**
- Second Language Acquisition and Teaching Courses (3 hours): **FORL 472, FORL 510, FORL 511; LING 395, LING 472, LING 474**
- Linguistic Concentration Electives Courses (6 hours): **FREN 300, FREN 516; GERM 517; LING 345, LING 512, LING 514, LING 542, LING 554, LING 556; SPAN 517.**

Program Notes:

- Courses identified as "critical" must be completed in the student's first 60 semester hours of work in order for these courses to be credited toward graduation.
- All undergraduate students must take a 3-credit course or its equivalent with a passing grade that covers the founding documents. This course may fulfill any requirement in the program of study. Courses that meet this requirement are listed in the academic [bulletin](#).
- The last 30 credit hours toward your degree must be earned in residence at the University of South Carolina-Columbia.

University Requirements: Bachelor's degree-seeking students must meet Carolina Core (general education) requirements. For more information regarding these requirements, please visit the [Carolina Core](#) page on the University website.
