On the ePAF homepage enter the student's full name (as displayed in Banner) or USC ID in the **Search for Person** field, then click the **Search** button.

The results that appear are referred to as **Search Cards**. If the student has more than one active hire numerous search cards will appear. To initiate a Student Status Change, find the appropriate EMPL record and click the **Related Actions Menu** button.

The security for Student Status Change eForms is tied to the department which the student is actively hired in that EMPL record. If you do not have access to that department you will not have the option to initiate this eForm.

Completing the Student Status Change eForm:

1. The **Reason Code of End Temporary Employment** automatically populates as the default for ending student employment prior to the end-date on file. This should not be changed.
2. Enter the **Last Date Worked** for this student employee.

Note upon entry of the **Last Day Worked**, the **Effective Date** of separation populates below. This date represents the first day the student is no longer employed. This field is view only.

3. Attachments are optional on the Student Status Change. If you have a resignation letter or information to provide to HR regarding the early separation, either click the **Upload** button and follow the on-screen prompts to attach the documents from your device or click the **Comments** link to expand the open comments field to write your justification.
